PUBLIC COMMENT: Any item of interest to the public that is within the subject matter jurisdiction of the Council and is not posted on the agenda may be addressed during the Public Comment period. California law prohibits the Council from taking action on any matter which is not posted on the agenda unless it is determined to be an emergency by the Council. If Public Comment is completed before the 10-minute allotted time period, the Council may immediately move to the agenda items.

Please note that the following instructions apply to public comment which will be read into the record during the meeting in lieu of traditional oral public comment.

1. If you wish to comment on a specific agenda item, submit your comment via email to rDavis@co.calaveras.ca.us no later than 4:00pm on the Wednesday prior to the Council meeting. Please clearly indicate which agenda item number your comment pertains to. If your comment meets the foregoing criteria, it will be read into the record during the meeting.

2. If you wish to make a general public comment not related to a specific agenda item, submit your comment via email to rDavis@co.calaveras.ca.us no later than 4:00pm on the Wednesday prior to the Council meeting. If your comment meets the foregoing criteria, it will be read into the record during the meeting.

3. Alternatively, you may comment by calling (209) 754-6917 and relaying your message to the Program Coordinator or leaving a voicemail no later than 4:00 pm on the Wednesday prior to the Council meeting. Your message must clearly indicate whether your comment relates to a particular agenda item, or is a general public comment. If your comment meets the foregoing criteria, it will be transcribed as accurately as possible and then read into the record during the meeting.

4. If you are listening to the audio or video live stream of the meeting and wish to either make a general public comment or comment on a specific agenda item as it is being heard, please call using the information listed above. The Council will make an effort to take all calls. You may receive a busy signal if others are calling in at the same time; if you do, please...
attempt calling again. Please be sure you are viewing the live stream in real time, and thank you in advance for your patience with potential technical and logistical hiccups.
